Parent Ordering

Impact Food App

The ordering platform is supported by a company called Kanpla, one of our technology partners.

It is user friendly, easy to use and has been designed to be as simple as ordering something from Amazon.

You will receive a link from
Kanpla via email.
One child = One Link

Siblings can be linked together
when the parent uses the same
email address on each link

Links are generated from
information provided by the
school MIS (Management
Information System) data

Currently, only one link per
parent

Once the link is accepted it
cannot be used again

Links will automatically be sent
to the email address you have
given the school office

How links work

Adding Balance

The image shows a mobile app interface for ordering school lunches. On the left is a sidebar menu with sections: 'ACTIVE USER' (Castledon Student, Castledon School), 'Access codes', 'Allergens', 'Medical document upload', 'Dietary preferences', 'My QR Code', 'BALANCE' (showing £0 and a '+ Fill up' button), and 'SETTINGS' (Account history). On the right, a 'Deposit money' modal is open, asking 'How much credit do you want to add?'. It features a text input for the amount (set to £20), a numeric keypad (5, 10, 20, 50, 100), a 'Card' payment method selector, a checked checkbox for 'Save the card for later payments', and a large green 'Deposit' button at the bottom. A blue arrow points from the '+ Fill up' button in the sidebar to the 'Deposit' button in the modal.

A balance, if applicable, must be on the account before selecting a meal

If multiple paid siblings, the balance will be split between them. Account will only show one total balance

Ordering With Allergies

The screenshot displays the 'Innovate' website interface. On the left, the 'Allergens' section lists various food categories with icons: Gluten, Crustaceans, Fish, Milk (highlighted with a blue box and arrow), Mustard, Peanuts, Soy, Celery, Egg, Lupine, Molluscs, Nuts, Sesame, and Sulphur dioxide and sulphites. Below this list is a checkbox for 'I have other allergies not listed above' and a green button labeled 'Confirm 1 allergens'. The main content area features a yellow banner with a warning icon and text: 'Allergy document upload required. You will see a restricted menu until approved.' To the right of this banner is a yellow button labeled 'Upload documents', which is also highlighted with a blue box and arrow. Below the banner is a large image of food with the text 'Order your lunch here' and 'We have a range of delicious lunch options just a few clicks away'. On the right side of the page, the 'Medical documents upload' section prompts the user to 'Upload medical evidence for the following allergies and an up-to-date photo of your child.' It lists 'Milk' as the selected allergy and provides a dashed box for dragging files, with instructions 'Drag files to this area' and 'Or click to upload manually'. At the bottom of this section are two buttons: 'Accepted proof guide' and 'Continue'.
