Aim

The aim of this policy is to set out what charges will be levied for activities, what remissions will be implemented and the circumstances under which voluntary contributions will be requested from parents. This policy is based on advice from the Department for Education (DfE) on charging for school activities and the Education Act 1996, sections 449-462 of which set out the law on charging for school activities in England.

Definitions

Charge: a fee payable for specifically defined activities

Remission: the cancellation of a charge which would normally be payable

Overview

The education we provide wholly or mainly during school hours will be free but, on some occasions, a voluntary contribution towards the cost of an activity may be requested by school.

Parents are free to decide whether or not to contribute, but if insufficient contributions are not received the school may not be able to subsidise the activity and it would therefore not be able to go ahead. The Governing Board has delegated responsibility for approving this policy to Resources Committee and the Headteacher, who is responsible for its implementation. The Governing Board retains responsibility for monitoring its implementation.

Charges cannot be made for the following:

The Governing Board recognises that legislation prohibits charges for the following;

1. Education provided outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education.
2. Tuition for pupils learning to play musical instruments or vocal tuition if this is required as part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education.
3. Supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential trip.
4. Transporting registered pupils to or from the school premises, where the Local Authority has a statutory obligation to provide transport.
5. Transporting registered pupils to other premises where the Governing Board or Local Authority has arranged for pupils to be educated.
6. Transport that enables a pupil to meet an examination requirement when he or she has been prepared for that examination at the school.

Charges may be made for the following:

1. Board and lodging on residential visits (not to exceed the costs).
2. The proportionate costs for an individual child of activities wholly or mainly outside school hours

('optional extras') to meet the costs for;

- Travel
- Materials and equipment
- Non-teaching staff costs
- Supply teachers engaged purely for optional extras
- Entrance fees
- Insurance costs

3. Where music tuition or singing tuition is not an essential part of the National Curriculum, charges may be made.

4. Any additional hours (greater than the statutory 15) deemed to be for child care for 2 year olds. In accordance with the Education (Charges for Early Years Provision)

5. Damage/vandalism/loss to and of school property.

6. Community Use / Lettings.

7. Extra-Curricular Activities.

8. Out of School Club Childcare.

9. Lettings – Leeds School Lettings Service should be contacted to arrange this. The current cost (September 2026) of letting the school hall is £25 per hour.

10. Publication/documentation requests. Most publications and documents are available on the website for persons to view or download and print themselves. If requests for any copies of publications and documents (including those not showing on the Website) are received by the school a charge may be made. Any charges made will be the actual costs incurred by the school for producing and posting out the requested publication/documentation.

Remission

Children whose parents are in receipt of the following support payments will, in addition to having a free school meal entitlement, also be entitled to the remission of charges for: board and lodging costs during residential school trips; day visits (organised by the school) and extra-curricular club costs. Although, this does not apply to the After-School Club (breakfast club is discounted at £2 per session).

The relevant support payments are:

- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit - if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get)
- Income Support
- Income Based Jobseeker's Allowance
- Support under Part 6 of the Immigration and Asylum Act 1999

- Guarantee element of State Pension Credit
- An income related employment and support allowance

Children who receive pupil premium funding will not be entitled to remission of charges. This includes previously looked after children and service children.

Contributions

The school may ask for voluntary contributions from parents to fund activities or provision during school hours which would not otherwise be possible.

Parents will be invited to make a contribution for the following;

- a) Trips/visits held in school time, proportionate cost per child. Any request made to parents will specify that it is a voluntary contribution and in no way represents a charge. In addition, the following will be made clear to parents;
- a) that the contribution is genuinely voluntary and a parent is under no obligation to pay.
- b) that registered pupils at the school will not be treated differently according to whether or not their parents have made any contribution.
- c) that if insufficient donations are received by the school from parents, a decision may have to be taken by the Headteacher to cancel the trip/visit.

The responsibility for determining the level of voluntary contribution is delegated to the Headteacher.

School Meals

The Governing Board will determine and publish annually the price to be charged for school meals.

The current cost for a school meal is £2.97 for KS1 and EYFS: £3.00 for KS2.
